## Hours of Service

**Delivery:** 4 hours

Hours of Service has long been a topic of confusion and contention. We bring clarity to this subject which is very often a source of financial and legal burden to the non-compliant driver or company. This program is an excellent topic for Drivers / H & S Meetings. All drivers and companies must ensure that they are compliant and consistent in view of MTO's zero tolerance/road check programs

Count on us to have the definitive program available once the new Canadian Legislation takes effect.

**Minimum Requirements:** none
